

We're Hiring! Apply to careers@algonet.com

Algoma Central Corporation owns and operates the largest fleet of dry and liquid bulk carriers operating on the Great Lakes – St. Lawrence Waterway, including self-unloading dry-bulk carriers, gearless dry-bulk carriers and product tankers.

The Domestic Dry-Bulk marine transportation segment includes ownership and management of the operational and commercial activities of the Company's fleet. The dry-bulk vessels carry cargoes of raw materials such as iron ore, grain, salt and aggregates and operate throughout the Great Lakes – St. Lawrence Waterway. Seven new vessels have been added to the Company's fleet as part of its Equinox Class domestic dry-bulk fleet renewal program. Algoma has additional new builds in the pipeline.

The Product Tankers marine transportation segment includes ownership and management of the operational and commercial activities of six Canadian flag tanker vessels operating on the Great Lakes, the St. Lawrence Seaway and the east coast of North America

We are hiring for the following positions:

- 2nd Engineer – tanker
- 2nd Engineer – drybulk
- Captain - drybulk
- Captain – tanker

Further information on each of the positions posted below.

Employment Opportunities

Captain- Tanker

Job Duties:

The Captain is the company's management representative on board the vessel and they are charged with the responsibility to support and protect the best interests of the Corporation in all areas of their job role.

The Captain's over responsibilities include but are not limited to the safety of the crew and the safe operation of the vessel whilst at the same time responsible for protecting the owner's commercial interests. The Captain has the overriding authority and responsibility to make decisions with respect to safety and pollution prevention. The Captain is expected to perform his or her duties in accordance with the Canada Shipping Act and Regulations, Canada Labour Code, Company Policies and Procedures.

This is a management position and is non-unionized.

Wages and benefits are outlined in the company's Terms of Reference and Benefits Booklet.

Qualifications:

- Master Mariner (preferred) or Master, Near Coastal
- Specialized (Advanced) Oil Tanker Endorsement
- General Operator's License (GOC)
- GLPA certificate (preferred)
- Ship Security Officer (preferred)
- MED training with respect to STCW Basic Safety
- MED training with respect to proficiency in survival craft and rescue boats other than fast rescue boats
- MED in advanced fire fighting
- Marine Medical
- Personnel with Security Duties

Skills, Abilities and Experience

- Minimum 2 years recent experience working on tanker vessels
- Experience with Safety Management Systems
- Excellent leadership skills
- Knowledge of English language is required

Algoma Central Corporation encourages application from designated group members identified under the Federal Employment Equity Act. We wish to thank all applicants in advance, however, only those selected for an interview will be contacted.
