

## Canship Ugland Ltd

We are a Ship Management and crewing company operating and managing a modern fleet of DP shuttle tankers, tugs, bulk carrier, pilot boats and product tankers. In addition, we provide crew management services to other vessel owners and operators. We offer opportunities for career advancement, excellent compensation, pension plans, full benefits and a day for day leave system.

At present we have openings on our Chemical Oil Tanker trading in the Vancouver area. This vessel is Canadian flag on a long term charter. We have immediate requirements for the following positions starting on February 18, 2019.

### **Chief Engineer- Fourth/Third Class Motor and Advanced Chemical Tanker Certificate**

**Qualifications:** All candidates should have previous Oil Tanker experience and hold appropriate Canadian certification to comply with regulatory requirements for the respective position as outlined above. In addition you must hold valid Passport, Seafarers medical, Appropriate First Aid certificate, WHMIS 2015, Vessel Security proficiency.

Apply by email or fax only and indicate in the subject line the position you would like to be considered for:
