

LOWER LAKES TOWING LTD.

Chief Mate Job Description

About Lower Lakes

Lower Lakes Towing operates a fleet of six self-unloading bulk carriers and three conventional bulk carriers in Canada. Combined with our U.S. sister companies, we have a combined fleet of 14 vessels. These vessels transport a diverse array of dry bulk commodities including limestone, coal, iron ore, salt, grain and other commodities for more than 50 long-standing customers in the construction, electric utility, integrated steel and food industries.

"We can go where the big ships go and also where they can't!"

We have immediate openings for the position of **Chief Mate** aboard our Canadian flagged self-unloading and flat-back bulk carriers.

Responsibilities

- Promote an attitude of safety and uphold company safety policies
- Perform Watch-Keeping duties as the Master's representative
- Supervision and upkeep of the Deck Operations including but not limited to:
- Inspection of Deck Department to monitor and improve efficiency
