

Hatchery Technician

Northern Harvest Smolt are currently seeking a highly motivated individual to join our Freshwater team as a full-time **Hatchery Technician** at our Hatchery in **Stephenville, NL**. This position will report directly to the Lead Technician.

Successful applicants must have a passion for animal care and a positive attitude with a high focus on safety. As a company that embraces constant learning and industry professionalism, applicants with aquaculture experience and/or relevant post-secondary education will be given preference.

Duties & Responsibilities

- Feeding, grading/counting or measuring fish
- Removing fry/smolt mortalities
- Site security, maintenance, clean up
- Accurate reporting, record keeping and document management
- Monitoring fish behaviour, appearance and health
- Any other related duties as may be required

Qualifications & Experience

- Aquaculture related education and/or sufficient experience
- Strong communication skills
- Excellent organizational skills and ability to multi task
- Physically fit requiring the regular handling of material up to 25 kg
- Standing, walking, walking up and down stairs for 10.5 hours each shift
- Ability to work an overnight shift

We offer a competitive wage and full compensation package.

If you possess the attributes we desire, and want to make a difference with a progressive, growth-oriented company in a dynamic global industry, please submit your resume with cover letter in confidence to:
