

LOWER LAKES TOWING LTD.

Job Description Second Mate

About Lower Lakes

Lower Lakes Towing operates a fleet of six self-unloading bulk carriers and three conventional bulk carriers in Canada. Combined with our U.S. sister companies, we have a combined fleet of 14 vessels. These vessels transport a diverse array of dry bulk commodities including limestone, coal, iron ore, salt, grain and other commodities for more than 50 long-standing customers in the construction, electric utility, integrated steel and food industries.

"We can go where the big ships go and also where they can't!"

We have immediate openings for the position of **Second Mate** aboard our Canadian flagged self-unloading and flat-back bulk carriers.

Responsibilities

- Promote an attitude of safety and uphold company policies
- Carry out cargo orders of the First Mate for the loading, stowage, care and discharge of all cargo.
- Supervise deck crew within the boundaries of the written orders provided by the First Mate
