

### **3F Waste Recovery EMPLOYMENT OPPORTUNITY**

3F Waste Recovery has an urgent need for the following:

- a food scientist with marine and/or mammalian protein background, or marine/mammalian biologist with a food background
- entrepreneurial in spirit, if not experienced
- interested in ground floor opportunity and defining their own job based on business needs
- executive advisory role, consulting, recipe/production process analysis, process design
- Guaranteed minimum 20 weeks @ 40 hours, ideally full-time permanent @ \$22.50-\$27.50/hr (up to \$1140 gross per week) starting wage
- work from home for the most part, but some traveling required between Avalon and Northern Peninsula (once per month, including winter, flat rate mileage reimbursed, or company vehicle provided for travel)
- TIME SENSITIVE. Interested candidates should forward a resume ASAP to Mr. Ben Wiper, Founder and CEO: [ben@skinnypig.co](mailto:ben@skinnypig.co)
