

Avalon Laboratories EMPLOYMENT OPPORTUNITY

Avalon Laboratories has an urgent need for a Lab Assistance/Technician:

- Relevant educational background with experience in microbiology; aseptic technique
- Familiarity/experience working within a lab setting
- Duties include weighing and handling samples; feeding and maintaining fish tanks in addition to other species
- Data reporting will be required therefore the successful candidate would have attention to detail and strong organizational skills

Interested individuals are asked to contact Ms. Suzette Winter via email: swinter@avalonlaboratories.ca
