

Canship Uglund Ltd

We are a Ship Management and crewing company operating and managing a modern fleet of DP shuttle tankers, tugs, bulk carrier, pilot boats and product tankers. In addition, we provide crew management services to other vessel owners and operators. We offer opportunities for career advancement, excellent compensation, pension plans, full benefits and a day for day leave system.

At present, we are recruiting for the following full time position commencing late 2020:

Chief Mate - Tugs

Duties: Reporting to the Master you will be responsible for the towing arrangements, and will act in the Master's absence. You will be responsible for all maintenance on deck, ensuring compliance with regulations, including lifesaving appliances and navigation equipment. You will also be required as relief Master when necessary (if applicable)

Please state in cover letter your availability to begin training for the position.

Qualifications: All candidates for this position should hold the following valid certification:

- Canadian Watchkeeping Mate
- Marine Medical
- Marine Emergency Duties
- Ship Security with Designated Duties
- Marine Advanced First Aid
- GMDSS

A Canadian certificate of competency higher than Watchkeeping Mate would be considered an asset.

Preference may be given to candidates with experience as mate or master on tugs.
