

OWN YOUR FUTURE! Labatt is currently hiring

Job Title: Technician, Quality
Department: Quality
Location: St. John's Brewery, NL
Pay: Contract- 6 months

About Labatt

For more than 160 years, Labatt has created enduring bonds with consumers as they share memorable experiences while enjoying iconic brands like Alexander Keith's, Labatt Blue, Budweiser and Stella Artois.

Labatt employees share the dream of becoming the best, most profitable beer company in a better world with their Anheuser-Busch InBev colleagues worldwide. From Newfoundland to British Columbia, Labatt's 3,000 employees brew about 60 local and world-known beers. Anheuser-Busch InBev is the leading global brewer, managing a portfolio of more than 200 brands.

Labatt is one of Canada's most recognized brands and most respected corporations. We take responsibility for improving the world where we do business, and together we find ways of putting social responsibility into action. We're also committed to building a company for the long-term with a legacy to be proud of – for the people who work for us and with us; for future generations and the environment; and above all for our consumers.
