

IMMEDIATE VACANCY

Permanent Full-Time 2nd Engineer

Algoma Tankers Limited

Algoma is a leading Canadian shipping company, owning and operating the largest Canadian flag fleet of dry-bulk carriers and product tankers operating on the Great Lakes – St. Lawrence Waterway. The Company is a leader in dry-bulk and liquid bulk transportation focused on meeting the special needs of customers that ship products on the Great Lakes and St. Lawrence Waterway.

We are currently searching for a full-time qualified 2nd Engineer to join our team.

Algoma Tankers offers a competitive wage and compensation package to shipboard employees as well as a 30 day on 30 day off leave system.

In order to be considered for these engineer positions, candidates must possess a minimum of a 2nd Class Engineer, Motor Certificate and Advanced Oil tanker training. If you are interested in a seagoing career with Algoma and meet the profile described within please submit your resume in confidence to Human Resources at careers@algonet.com with the subject line as "2nd Engineer".

Algoma Central Corporation encourages applications from designated group members identified under the Federal Employment Equity Act. We wish to thank all applicants in advance, however, only those selected for an interview will be contacted.
