

## Canship Ugland Ltd

We are a Ship Management and crewing company operating and managing a modern fleet of vessels including DP shuttle tankers, tugs and a bulk carrier. In addition, we provide crew management services to other vessel owners. We offer opportunities for career advancement, excellent compensation and pension plans, full benefits and a day for day leave system. For more information, please visit our web site at [canship.com](http://canship.com)

We are currently accepting applications for the following positions in order to increase our labour pool and assist with coverage for shuttle tankers for the remainder of this year.
