

MASTER'S DEGREE

MARITIME MANAGEMENT

ONLINE

PROGRAM DESCRIPTION

The Master of Maritime Management (MMM) is an innovative program, the first of its kind in Canada, providing professional development opportunities for working, career-minded professionals.

The online program helps provide the skills and knowledge necessary to effectively manage the diversity of operations found in the challenging maritime sector. This program is offered fully online, and applicants from the global community are invited to apply.

ADMISSION REQUIREMENTS

Admission to the program is on a competitive basis.

To be considered for admission to the program an applicant will normally possess a second class or better undergraduate degree from a university of recognized standing and will normally have:

- A Memorial University Bachelor of Maritime Studies or Bachelor of Technology, or a comparable undergraduate degree with appropriate maritime sector and business management course work; and
- Appropriate technical knowledge and relevant marine sector employment experience.
