

BACHELOR DEGREE

TECHNOLOGY

HEALTH SCIENCE TECHNOLOGY

ONLINE (SELECT COURSES ON CAMPUS)

PROGRAM DESCRIPTION

The Bachelor of Technology (Health Science Technology) program prepares graduates for career advancement in health science technology. It is designed for students who have graduated from an accredited diploma of technology program in this field.

Courses in the program provide the student with an introduction to human resource and business management concepts, and the social contexts in which their careers will be based. After the program is complete, your combined diploma and degree will provide you with strong technical training that meets national accreditation standards.

This program is offered online with select courses available on campus and can be studied on a full time or part time basis.

ADMISSION REQUIREMENTS

In addition to meeting the admission/readmission requirements for Memorial University, students must also meet the admission/readmission requirements for the Marine Institute and be eligible for admission in one of the following categories:

CATEGORY A: applicants holding a diploma of technology, excluding Nautical Science, from the Marine Institute,

CATEGORY B: applicants holding a diploma of technology accredited by the Canadian Technology Accreditation Board (CTAB) or Technology Accreditation Canada (TAC), or the Canadian Medical Association (CMA),

CATEGORY C: applicants holding a diploma of technology comparable to a Marine Institute diploma of technology,

CATEGORY D: applicants holding a Certified Engineering Technologist (CET) designation or a Professional Technologist (PTech) designation along with a diploma of technology acceptable to the Admissions Committee,

CATEGORY E: applicants who have Canadian Forces training acceptable to the Admissions Committee,

CATEGORY F: applicants who hold a diploma of technology from an institution with which the Marine Institute has an articulation agreement.
